

To Whom It May Concern,

The Titusville High School Terrier Gridiron Club (Football Booster Club) is sending you the enclosed information in hope that you will strongly consider joining us and even sponsoring the organization in its upcoming Golf Tournament at La Cita Country Club on Saturday August 7, 2010.

The tournament is for the wonderful cause of supporting the young men involved in the THS football program and helping our youth is not only a good thing it is the right thing! There will be terrific golf, great food, fantastic prizes and inexpensive advertising opportunities...with even some fun thrown in just for you.

As a proud sponsor (see attached flyer for various levels) your company will be seen on one of Titusville's most beautiful golf courses. You and your fellow golfers (see attached registration form) will also be treated to a delicious dinner and a great awards banquet along with the opportunity to be a part of the silent auction afterwards.

Please help support our local young people by providing them with something positive by supporting this wonderful fundraiser. As you know educational funding has been reduced and one of the areas hardest hit by this reduction has been in the area of High School Sports so now more than ever our local young men need you!

If you're not a golfer and/or unable to attend, we still need your help. A donation today of any size would be most appreciative or the gift of whatever product your business may be able to provide would be greatly appreciated as well. We would also be extremely thankful if you would distribute this flyer to all of your friends and family as our success depends on you.

Your sponsorship or monetary gift will help do much more than you may think so please be as caring and generous as you can.

Thanks so much for your consideration and hope to see you all at the tee box!

Sincerely,

THS Gridiron Club – Advertising Chair
